MIGUEL MINGS è uno dei più importanti djs e produttori del mondo elettronico contemporaneo. Nato a San Francisco ha remixato artisti come Britney Spears, Lionel Ritchie e Macy Gray. 'Those Things' è il suo secondo lavoro che la PMB propone in versione doppia con l'album originale nel CD 1 e i remixes nel CD 2. Si tratta di un album dove l'elettronica della musica house si fonde con strumenti tradizionali mescolando ritmi jazz e soul, cosa in cui Miguel Mings riesce molto bene.

TANGO 'YESTERDAY AND TOMORROW'

Il tango fa parte della cultura musicale di Buenos Aires ed è una vera e propria passione per tutta l'Argentina.

Il primo CD di questo doppio album contiene in veste originale i brani più classici del tango con artisti quali Astor Piazzolla, Julio Soa, Libertad Lamarque, etc.

Con il tempo questo genere si è evoluto, arricchendosi di nuove melodie, dando al tango una versione inedita e più moderna, che troverete nel secondo album.

'YESTERDAY AND TOMORROW' contiene infatti una panoramica completa di questa appassionante musica, che ha raggiunto anche le frontiere europee, specialmente la Francia, accogliendo nuovi estimatori, nuovi artisti, e nuove emozioni che non mancheranno all'ascolto di questa bellissima nuova uscita.

DESERT DREAMS - Nú Sounds of the Sahara - è un progetto che comprende diversi artisti, dal giovane e talentuoso OMAN CHAIL, una delle figure più promettenti della scena contemporanea orientale che con freschezza e sapienza riesce a combinare le antiche tradizioni con nuove modulazioni elettroniche. REVER SOUND veramente unico nel suo genere, discende da una famiglia di musicisti sempre in movimento, e queste diverse esperienze musicali apprese in giro per il mondo si fondono con lo spirito musicale arabo. SEOAN, musicista e produttore carismatico e attivo, creatore dei BUDDHA SOUNDS, band multi-etnica, ha partecipato a molte iniziative musicali tra cui appunto 'DESERT DREAM'. Da notare infine il magico violino di Maka Krasnaia che ci riporta al fascino orientale.
